

We are keenly aware that God is up to something, and we're delighted to be caught up in what He is doing and invite you to join our support team!

www.authenticdiscipleship.org Is an Approved 501c3 Non-Profit Ministry of the Missionary Church Western Region as part of their Strategic Church Development Ministry.

Our unique web-based format with pdf documents makes these materials available for disciples and discipling communities regionally and globally to experience seminary level content. These materials are offered absolutely free of charge. Feel free to offer suggestions to help us make this ministry more useful, and please send along your stories of how we have helped you and your community.

We covet your prayers as we continue to develop our ministry. The next step is to develop an "E-Learning" format with certifications for specific core studies. I really need help in this area as I seek out others to help forward our mission. Your prayer support would be huge! Should you desire to financially partner with us, you may do so by making your tax deductible check payable to the Missionary Church Western Region office as shown below. Please include your email address as all tax-deductible receipts are sent electronically. Thank you!
